Ridgecrest Report – Research Team and Contributors

Lead Compilers and Contributors

Mike and Marilyn Neel (former NAWCWD electronic engineer / teacher and researcher)
Tom Rafalski (former NAWCWD engineer / B.S. Industrial Technology, owner, Metal Concepts)
Bill and Beth Sumners (former NAWCWD engineer / FireQuick business owners / consultants)
Ricki Fielding (Electrical Engineer / conducted the local economic analysis study in the large report)

Other Contributing Researchers

Lyn Whitcomb (electronic engineer / Pastor, Cornerstone Bible Church)
Raymond Kelso (environmental protection specialist, program manager / owner Pleistocene Foundation)
Anthony R. Damiano (Ed.D., J.D. / adjunct professor / assisted with earlier online surveys from other cities)

DoD Serious Issues (20 pages). Includes 10 pages of testimonials against the casino from former NAWCWD and NAWS commanding officers, four former Technical Directors, Military Leaders, Retired Admirals, Security Officer, and the Kern County Sheriff. Additional testimonials from high-level DoD employees, Engineers & Specialists, Doctors, Business Owners, Teachers, Churches and Pastors, Community Leaders, Nurses and Teachers.

DoD Serious Issues. Local testimonials against the casino in the DoD section of comprehensive report (page 60): David Shipley, George and Carolyn Bertrand, Ed and Carol Jeter, Mark Pahuta, Mike Bramson, Dylan Riley, Dakota Sinclair, Tim LaFromboise, Mark Stockbaurer, L.L. Doig, Bill and Beth Sumners, Jeff Scott, Denali St. Amand, Lyn Whitcomb, Ronald Porter. (Disclaimer: The views expressed by individuals in this report are personal opinions and do not in any way reflect any position of NAWCWD.)

100+ concerned citizens of Ridgecrest who researched, participated, and provided content at public meetings: Participants included: distinguished local citizens from business and industry, community college, medical professionals, school administrators, realtors, bankers, and DoD employees. Others included church members, parents, and recovering addicts. **Data from 100+ OUTSIDE authors.** Entire report completely referenced.

Just a few local base and community leaders, doctors, dentists, and business owners opposing the casino. Plus...800+ citizens said NO during a two-weekend petition in 2016
